FEATURES & UPDATES

**Roster Photo Integration with NameCoach**
If students have recorded their name pronunciations and set their preferred pronouns in Axess, instructors and TA's will be able to access that information in Canvas Roster Photos.

**Canvas Teacher Mobile Application**
This application allows you to manage your courses and use Canvas more efficiently from a mobile device. It replaces the existing Android and iOS SpeedGrader apps.

**Gradescope Integration with Canvas**
The integration with Canvas now allows you to import your Canvas roster into your Gradescope course and upload grades from Gradescope into Canvas.
