NEW FEATURES & UPDATES

Section-specific Announcements
Section-Specific Announcements are now available in Canvas! When creating an announcement, instructors can select to send the announcement to all sections, one section or multiple sections. See more announcement updates.

Syllabus - Default Homepage for New Courses
The default homepage for all newly created Canvas courses has changed from Modules to the Canvas Syllabus page.

New Design for Scheduler/Appointment Sign-ups for Spring 2018
A new design for appointment sign-ups will be introduced for Spring 2018, making the process easier for students. This feature was previously known as the Scheduler within the global Calendar tool.

Canvas Course Profile

This Canvas Course Profile showcases Jennifer Johnson’s exemplary use of Canvas to enhance teaching and learning. She shares her experience with the Canvas peer review feature and SuiteC collaboration tools to increase student interaction and engagement. She also provides examples of how to provide richer feedback using SpeedGrader.
